PROFILE

A former professional athlete with extensive experience in customer service from numerous jobs in different customer facing industries.

I am a meticulous and responsible person with a great interest in sports.

EXPERIENCE

Circle K, Hammarby Sjöstad – *Shop assistant*

September 2016 – PRESENT

- A flexible job where you can work on everything from sales, stock picking and customer service to clerical tasks in a single working day.
- The work has developed my ability to handle stress and taught me to work better within a team as well as independently.

Personal trainer, Stockholm – *Personal trainer*

June 2018 – PRESENT

- My work as a personal trainer has developed my leadership skills and strengthened my responsiveness and pedagogical skills as I must constantly strive to leave clients satisfied.
- The work has taught me important lessons about working independently and personal responsibility, as I do everything by myself.

Ica Maxi, Nacka – *Shop assistant*

June 2012 – November 2013

- A fast-paced workplace with a lot of customer service.
- Working with products and warehousing – accuracy and a good attitude were very important in this workplace and were qualities in myself that I could develop further.

Gröna Lund, Stockholm – *Seller*

June 2010 – August 2010

- Worked as a salesperson at Gröna Lund, a fun workplace with a lot of variety.
- A place where teamwork was extremely important to accomplish daily tasks.

EDUCATION

Hyper Island, Stockholm – *Frontend Developer*

August 2022 – March 2024

A school that values soft skills as much as hard skills. My time at Hyper Island has taught me how to cooperate and code within a team while managing to deliver an end product to an actual client.

KUI, Stockholm – *Health Coach & Personal Trainer*

January 2021 – December 2021

An education that gave me new tools and ideas for my work as a personal trainer.

Nacka Enskilda Gymnasium, Nacka – *Society/Society-program*

August 2007 – June 2010

Graduated from an IT/Sports high school in Nacka.
